Life insurance association holds fun activities for them

All smiles: The happy faces of the children from Asrama Darul Falah and Shelter Home with Kwo (in suit, giving two thumbs-up) after presenting the association's donation to the two homes.

THE Life Insurance Association of Malaysia (Liam) hosted a community service programme for about 100 underprivileged children from two homes — Asrama Darul Falah in Kuala Lumpur and Shelter Home in Petaling Jaya.

“This is part of our contribution to society through our Insurans Hayat Cares, a community service platform set up by LIAM.

“Insurans Hayat Cares was created to meet the objective of the association, to be more engaged in serving the community.

“It is more special this year as we celebrate our 40th anniversary,” said Liam president Vincent Kwo.

Also present were the home's principal, Ustaz Zulyadain Mohd Radzi, and Shelter Home general manager Cheok Hoong Poh.

The children, ranging in age from four to 17, took part in several fun activities including road safety and financial literacy.

There was also a quiz and those who got the answers correct received prizes. Guests were treated to a sumptuous spread of traditional delicacies.
